On behalf of our client, a fast growing online startup in Berlin, we are currently accepting resumes for the following professional opportunity:

YOUR RESPONSIBILITIES

• Develop new features

• Increase performance and security of the current system

• Improve fraud detection

• Support the Front End with your expertise

• Potentially introduce new employees into their tasks once you have gained enough experience.

YOUR PROFILE

• At least 3+ years of professional experience

• Broad knowledge of PHP, jQuery (MVC) and MySQL

• Proven contribution to open source projects

• Self managed and highly motivated

• Excellent communication skills, not hesitant to share ideas and an excellent team player

• Fluent in English (German language skills would be an advantage but not mandatory).

OUR OFFER

• Fast paced career opportunities

• You are free to contribute to any of the projects inside the company

• Challenging environment and tasks

• Annual salary not disclosed

• Full time and long term contract.

CORE CONDITIONS

• up to 40.000,- € annual gross wage

• long term contract

• potential relocation support.

ADDITIONAL CONDITIONS

• low cost of living in Berlin

• most companies use cutting edge technologies which is a bonus for developers seeking to gain experience and boost their CV

• highly interconnected companies which easily supports the flow of employees

• countless IT related events and fairs.

You think this is the job for you? Send your CV and cover letter in English now to: empl eo@itechcareer.com

Thanks!
