On behalf of our client, a leading Internet Company in Hamburg, we are currently accepting resumes for the following professional opportunity:

The company headquartered in Hamburg is looking for an experienced systems administrator and infrastructure engineer to create and develop secure systems and applications to handle its data.

**YOUR RESPONSIBILITIES**

•Administration and development of the core aspects of the company's cloud-based infrastructure on Amazon AWS

•Management of distributed computing capacities for big data applications (using ELBs + High CPU instances)

•Capacity management and scale planning

•Oversight of the company's LAN, devices and client administration

•Setup of central configuration management (Chef / Puppet)

•Responsibility for analysis of system security (STRIDE)

•Work closely together with the development team and risk department

•Ensure the security of the company's systems and data

**YOUR PROFILE**

•Degree in computer science, engineering or related field

•3+ years of experience in system administration in an internet company

•Strong understanding of web technologies, including PHP and Java, SQL and NoSQL databases,

Postgres and MongoDB

•Hands-on expertise in Linux administration, web server administration, Cloud hosting (EC2) and

virtualization, System monitoring and diagnostics (Nagios, NewRelic)

•High level experience in distributed architecture and load balancing, configuration management (Chef /

Puppet), IT security management, Proxy infrastructure and CDN infrastructure

•Excellent working knowledge of LAN administration and VPN infrastructure

•Experience in Active Directory Management, MS Sharepoint and Win Server 2012

•Practical experience with big data processing (map reduce, R framework, RServe, etc.) is a plus

•Data integration (ETL) is a plus

•MCSA certification would be an advantage

•Excellent communication skills in English, good sense of humor and a get-things-done attitude

**OUR OFFER**

•Chance to work with an experienced international team

•Wonderful workplace in Hamburg

•Annual salary not disclosed

•Full time and long term contract
