

On behalf of our client, an Internet Company in Berlin, we are currently accepting resumes for the following professional opportunity:

YOUR RESPONSIBILITIES

- Leading the App development
- Create implementation specs for back end dependencies
- Closely work with the back end to ensure smooth user experience
- Potentially lead a small team of developers in the future.

YOUR PROFILE

- At least 3 years of experience in product development in iOS

- Experience in eCommerce
- Hands on experience with Objective-C
- Experience with Unit Testing
- Ideally experience with App testing through TestFlight or HockeyApp
- Experience with App Analytics
- Ideally experience with external APIs for payment, back end etc
- Focused on a quality conscious approach to your work
- Self managed and yet flexible to changing business goals
- Proficient in English.

OUR OFFER

- Exceptional career opportunities
- A professional and entrepreneurial environment
- Dynamic and friendly working atmosphere in a successful international team
- Annual salary not disclosed
- Full time and long term contract.

CORE CONDITIONS

- up to 60.000,- € annual gross wage
- long term contract
- potential relocation support.

ADDITIONAL CONDITIONS

- low cost of living in Berlin
- most companies use cutting edge technologies which is a bonus for developers seeking to gain experience and boost their CV
- highly interconnected companies which easily supports the flow of employees
- countless IT related events and fairs

You think this is the job for you? Send your CV and cover letter in English now to: empl@itechcareer.com

Thanks!
